

Currently enrolled in Health Insurance

- If you currently have a health insurance plan you can keep your plan and apply your reimbursement to your plan
- If you would like my assistance, and you purchased a plan through the Health Insurance Marketplace you can login to your account and add me as the Broker of Record. This does not affect your price and is for ICHRA compliance reporting.
- If your plan was purchased through the Health Insurance Marketplace you must update your application to reflect the ICHRA offering as soon as possible.
- If you purchased your insurance directly from the insurance company you can request that I be added as Broker of Record or I can request it on your behalf.
- You can keep your current plan until the end of the year then transition to an Off Exchange plan. This does not apply to Washington DC residents.
- You must provide me with a copy of your current invoice
- Depending on whether your employer uses a manual or electronic reimbursement arrangement you may need to fill out a Reimbursement Form

If you need assistance please reach out to me.
