

Canceling Your Health Insurance In Virginia

If you had an active account on the Federal Health Insurance Marketplace in Virginia as of September 1, 2023 your account was transferred to the NEW Virginia Health Benefit Exchange and set for automatic renewal for January 1, 2024.

For those who need to cancel their plan or have cancelled their plan between October 1, 2023 and December 31, 2023 your 2023 plan will be cancelled on the effective date shown on the receipt provided to you by me or you can check your healthcare.gov account or call the Federal Marketplace to verify your termination date. You can also call me.

The Federal Health Insurance Marketplace and the NEW Virginia Health Benefit Exchange are two separate systems that do not communicate with each other. If your 2023 policy termination date has been set, your 2023 plan will be cancelled on that date. Since all information from the 2023 application was transferred to the NEW Virginia Health Benefit Exchange the plan set for automatic renewal for January 1, 2024 also needs to be cancelled.

For those who I directly helped with their cancellation you have already signed all the consents that are a new requirement by The Centers for Medicare and Medicaid that need to be signed by all consumers on the Federal Health Insurance Marketplace, before we the agent or broker can access your account. Because the January 1, 2024 renewal applications are not on the Federal Marketplace but on the New Virginia Health Benefit Exchange you will be required to sign the Virginia specific consent agreement in order for me to be able to assist you with cancelling the Auto Renewal for January 1, 2024

Those who request my assistance with a 2023 health insurance cancellation from today's date until the end of 2023 will be required to complete both agreements. All others only need to complete the Virginia Prior Consent Form. It is a simple online form and can be completed on any device with an internet connection.

I am here to help you through this transition. Please reach out to me with any questions you have. Thank you for your cooperation and patience during this transition
